St. Lawrence College recognizes high school diplomas and GED's from other provinces and territories as equivalent to the Ontario Secondary School Diploma.

For programs with no subject prerequisites, the majority of grade 11 and 12 courses must be college or university preparation level to qualify for admission.

Exception: The following one-year certificate programs will accept applicants whose Ontario Secondary School Diploma was earned with workplace preparation level credits:

- 0141 Carpenter General
- 1004 Culinary Skills – Chef Training
- 0178 Fabricating & Welding
- 0503 Hairstylist

Check specific program pages on our website for admission requirements to our Graduate Certificate and Fast-Track programs since these programs are available only to applicants who have earned college diplomas or university degrees.
